

Thank you for your interest in joining the International Golf Club, Belgium (IGC)

There is no joining fee. The annual cost of IGC membership is €150 plus €65 for the Federation fee and card, which we obtain through L'Empereur Golf Club. You do not need to pay the €65 if you are already in the Federation data base for 2020 through membership of another Belgian club. The membership fee is reduced by €20 per month starting in May of every year (a pro-rata reduction)

If you wish to join;

- complete the attached form
- make a transfer to the IGC account BE92 0017 1446 7623
- confirm completion of the transaction to the IGC membership secretary
-

You are then entitled to play with the IGC.

You are welcome to play a couple of rounds with us as a guest prior to joining. Playing as a guest you will play with other IGC members but will not be part of the competition until you have paid the subscription and your handicap has been formally established.

We will either accept a handicap certificate from another club or you play three times with IGC and the Club Captain will give you a handicap based on your scores for these three rounds.

We play different courses on Saturday and Sunday throughout the year with additional events at the Belgian royal courses usually on Friday afternoons. Our events typically attract between 10 and 30 players. We pay a green fee each time we play, with reductions depending on how many players participate.

We hold our prize giving as soon as possible after everyone has finishes their round.

Best Wishes
